

**Friendly Reminder...**  
**About the Inaugural VOA Golf Club Members Virtual Club Championship**

Dear Villa Owner-Members,

As you're aware, your **VOA fractional Golf Club Membership** includes access to participating in the full-slated tournaments hosted by the Seven Canyons Golf Club each year. However, due to the residency restrictions outlined in your Membership Agreement, specifically, the requirement to be "in residence" at the time of play, taking part in the Club's most prestigious events has been impractical, and in most cases, statistically improbable.

Given the equitable rotation schedule for Villa reservations, each fractional member has only about a **1-in-9 chance** of being in residence during key events such as the **Club Championship, Member-Member, or Member-Guest Tournaments**. Realistically, that means you might only get to participate once every 9 years, hardly ideal for fostering an engaged and active golf club experience.

**A New Championship, Just for You:** After thoughtful discussions and thanks to some innovative support from the Golf Shop, The Villas are proud to announce a new annual event created **exclusively for VOA Fractional Members**:

**The Seven Canyons VOA Members' Virtual Open Club Championship!**

This new "virtual" tournament mirrors the prestige and structure of the Club's major events, with one important twist: **you can compete no matter when you're in residence throughout the year!** Whether you're visiting in spring, summer, or late December, simply play your rounds, have them witnessed, and submit your scores. At year's end, both **Men's and Ladies' Gross and Net Champions** will be crowned, just like in the Club's traditional championships.

**How It Works:**

- Open to all **Villa Owner-Members**
- Submit up to **5 attested 18-hole scores** during your visits in 2025
- Your **Virtual Tournament Score** is the **aggregate of your lowest 3 rounds**
- Prizes awarded in both **Gross (no handicap)** and **Net (with GHIN handicap)** divisions
- **Sign up today** via the **Member Portal** or directly at the Golf Shop

**Questions?** Contact the Golf Shop or reach out to our committee chair, Paddy Gough, at [poseidenconsulting@gmail.com](mailto:poseidenconsulting@gmail.com)

**More to Come: Golf + Social Events:** We're also working on launching new events that blend social connection with fun golf formats, including:

- **9 and Dine**
- **6 and Mix**
- **9 and Wine**

These casual events will offer great opportunities to get on the course, visit the clubhouse, and mingle with fellow Villa Owner-Members and the broader Golf Club community. We're also exploring **Villa Owner Mixers at the Clubhouse**, allowing everyone to enjoy the recently renovated space while expanding on our Villa-based gatherings.

**In Summary:** The VOA Board remains committed to enhancing your membership experience and ensuring that **Villa Owner-Members are meaningfully included** in every aspect of life at Seven Canyons, on the course, in the clubhouse, and throughout the community.

We hope you'll join us in making this new championship and future VOA events a success.

**With appreciation,**

*Paddy Gough*
